Dear Bridget,

IMCA Recognition for C-DOC (Thailand) Diver Medic Course

I am pleased to confirm receipt of your payment in respect of travel and subsistence expenses associated with the recent audit and to confirm IMCA recognition for your diver medic course when it is run at C-DOC's facilities in Phuket, Thailand, between 21 October 2013 and 20 October 2016

I enclose your certificate of recognition (certificate number IDM-034-01) for the course, which runs for a period of three years from the date of the audit. I am also emailing a PDF copy.

C-DOC (Thailand) is now listed on our website at www.imca-int.com/diving-division/training-and-certification.aspx – please check that the details are correct and advise us of any future updates.

You should also be aware of the following:

- ◆ IMCA reserves the right to carry out unannounced audits at any time during the three-year recognition period. IMCA retains the right to withdraw its recognition at any time and in particular in the event of unsatisfactory reports being received or in the event of an unsatisfactory audit;
- ◆ Where a change in a member of staff or to the course audited by IMCA is proposed, you need to inform IMCA and forward details of the change or CV of the proposed new staff member;
- ◆ Please provide details of those completing your course (names and certificate numbers) to evaluation@imca-int.com;
- ◆ Please also provide your course attendees with the *IMCA diver medic course evaluation form* (enclosed);
- ◆ Information note IMCA D 10/13, concerning renewal of diver medic certification (enclosed);
- ◆ Information note IMCA D 11/13, concerning diver and diving supervisor certification (enclosed);
- ◆ Points of clarification (enclosed).

If you have any queries regarding the above, please do not hesitate to contact me.

Yours sincerely

Jane Bugler
Technical Director
